### **Vestry Update on the Rector Search Process**

Tim Hyland has accepted the appointment by the Vestry to chair the Nominating Committee (aka Search Committee, Calling Committee) as we embark on the search for our next rector. More details to follow soon on both the Interim Rector selection and the search process for our next rector.

### **From the Ground Up...**

The music at All Saints' is, in the end, a growth process. You begin working on music that you find compelling, and pretty soon you are working on more difficult music and honing your talents further. More than anything else, we have become a training ground for music in worship. We study together to create something greater than ourselves. You might even call it a noble path.

You are invited to start on this path with us as a new choir member this August. Once again, we will offer Saturday morning training sessions on **August 2 and 23**. This is entry level, "get your feet wet", training which is geared to take the fear out of sharing your most personal talents and self. Can't read music? This is where you start. Not a golden throated singer? Not a requirement. Willing to take a risk? Want to create some wonderful music? **YOU ARE PERFECT!** Call Scott Youngs (602-279-5539 ext. 128) to sign up.

### **It's Going To Be Fabulous!**

All the preparations are going on behind the scenes to make this year's Friends of Music 3<sup>rd</sup> Annual Dinner and Auction the best yet. Mark your calendars now for Saturday, November 1, 2008. This year, experience a very special evening: an all-new culinary

extravaganza, an exceptional array of silent auction treasures, and a "not-to-be-missed" Live Auction featuring 3 truly "Priceless" selections. All to benefit the All Saints' Music Program "The Most Heavenly Music on Earth." Look for your invitation in the mail September 8th. Watch your All Saints' Email & Bulletin Updates for more! ### **A Letter from Fr. Peter Walsh**

July 16, 2008

Dear Friends:

Thank you to all who gave to the Walsh purse. I am grateful for your generosity. It is very meaningful to us because it is paying the bills until I begin again in August.

Jennifer, Phineas, Sam, and I had a great time driving across the country. We laughed a lot along the way. The country is big and beautiful and, at times, it was like driving through the hymn, 'O Beautiful for spacious skies'. When we arrived in Connecticut we were met by my family and immediately had a party. Then, for the next seven days we had dinner with a family member every night. So, though we are contending with all things new, it is soul satisfying to be reunited with those closest to us.

We have happy memories of All Saints' and Arizona and we miss you. We are grateful for your friendship and trust if you ever get lost in Connecticut at 10:00 a.m. on a Sunday morning, you will come visit us at St. Mark's!

May God continue to bless you on your journey.

Faithfully and with best wishes,  
The Rev. Peter F. Walsh
