Vestry Update on the Rector Search Process

Tim Hyland has accepted the appointment by the Vestry to chair the Nominating Committee (aka Search Committee, Calling Committee) as we embark on the search for our next rector. More details to follow soon on both the Interim Rector selection and the search process for our next rector.

From the Ground Up...

The music at All Saints' is, in the end, a growth process. You begin working on music that you find compelling, and pretty soon you are working on more difficult music and honing your talents further. More than anything else, we have become a training ground for music in worship. We study together to create something greater than ourselves. You might even call it a noble path.

You are invited to start on this path with us as a new choir member this August. Once again, we will offer Saturday morning training sessions on **August 2 and 23**. This is entry level, "get your feet wet", training which is geared to take the fear out of sharing your most personal talents and self. Can't read music? This is where you start. Not a golden throated singer? Not a requirement. Willing to take a risk? Want to create some wonderful music? YOU ARE PERFECT! Call Scott Youngs (602-279-5539 ext. 128) to sign up.

It's Going To Be Fabulous!

All the preparations are going on behind the scenes to make this year's Friends of Music 3rd Annual Dinner and Auction the best yet. Mark your calendars now for Saturday, November 1, 2008. This year, experience a very special evening: an all-new culinary extravaganza, an exceptional array of silent auction treasures, and a "not-to-be-missed" Live

Auction featuring 3 truly "Priceless" selections. All to benefit the All Saints' Music Program "The Most Heavenly Music on Earth." Look for your invitation in the mail September 8. Watch your All Saints' email & bulletin updates for more! To donate or volunteer, call Sue Frome at 602-265-6399. Don't let the good times roll without you, start planning on Bach N' Rock.

A Letter from Fr. Peter Walsh

July 16, 2008

Dear Friends:

Thank you to all who gave to the Walsh purse. I am grateful for your generosity. It is very meaningful to us because it is paying the bills until I begin again in August.

Jennifer, Phineas, Sam, and I had a great time driving across the country. We laughed a lot along the way. The country is big and beautiful and, at times, it was like driving through the hymn, 'O Beautiful for spacious skies'. When we arrived in Connecticut we were met by my family and immediately had a party. Then, for the next seven days we had dinner with a family member every night. So, though we are contending with all things new, it is soul satisfying to be reunited with those closest to us.

We have happy memories of All Saints' and Arizona and we miss you. We are grateful for your friendship and trust if you ever get lost in Connecticut at 10:00 a.m. on a Sunday morning, you will come visit us at St. Mark's!

May God continue to bless you on your journey.

Faithfully and with best wishes,

The Rev. Peter F. Walsh

A Ministry of Disciples

Just as Jesus sent seventy on ahead of him to places he himself intended to go (Luke 10: 1-5), parishioners of All Saints' are joining together as a communication network in preparation for the Annual Pledge Drive in October. If you would like more information about this extremely worthwhile and rewarding ministry, please contact any of the people listed below by mid-August. This is a short-term ministry and will not involve a large time commitment, but will produce long-lasting benefits for our All Saints' community. Thank you in advance for your thoughtful consideration of this opportunity. Todd and Katie Chester - 602-955-4761;

Help Wanted: Volunteers to help with Coffee &

Conversation None of us likes self-serve coffee in Styrofoam cups with stale store-bought cookies, so we all need to kick in to keep our coffee hours going throughout the summertime. If you like to chat with friends and do a little bit in the kitchen, we need your help. The details are all written out, the church reimburses the expenses, and it is an opportunity to get to know your fellow parishioners. It could count as community service hours if the kids need it for school projects. Lots of options, lots of places to be put to work, and most importantly, lots of fun. Call the Church Office and leave your name and contact info if interested.
