## **ALL SAINTS' COMMUNITY CATALOG CANCELLING CAMPAIGN!!**

Did you know that 19 billion catalogs are mailed to American consumers each year?

What's the impact?

53 million trees cut down

3.6 million tons of paper used

38 trillion BTU's used OR enough energy to power 1.2 million homes per year

Amazing, isn't it?

The All Saints' Community wants to make a difference! Starting February 11, 2008, each grade, the All Saints' faculty and staff and the Sunday school kids will begin a campaign to cancel unwanted catalogs. They will bring the cancelled catalogs to their classrooms where they will be placed in a box. Those catalogs will then be displayed for all to see in Manning Hall. Watch the stacks grow and see how many catalogs are being cancelled!

The campaign will end on April 3, 2008 with the results announced at a special Chapel and at the **All Saints' Community Green Festival** on April 6, 2008.

How do you cancel unwanted catalogs? Simple!

Go to [www.catalogchoice.org](http://www.catalogchoice.org)

and follow easy instructions. If you do not see your catalog identified on the web site, please take just a moment to call the source of the catalog to cancel.

Questions? Contact the **Green Festival** Co-Chairs:

Michelle Thorpe ([mthorpe@nartc.org](mailto:mthorpe@nartc.org));

Sarah Porter ([sporter@audubon.org](mailto:sporter@audubon.org)); or Lori Brooks ([lbrooks@allsaints.org](mailto:lbrooks@allsaints.org))
